

KAPLAN COMPLIANCE SOLUTIONS is a rapidly growing, entrepreneurial, performance-oriented software, software as a service (SaaS), and business process outsourcing (BPO) company based in Indianapolis. Kaplan Compliance Solutions offers services and technology solutions for the insurance and securities industries for business processes that are required by law and are, thus, highly buffered from the larger macroeconomic climate. These solutions help our clients manage their sales agent on-boarding processes and career cycles. As a trusted partner of the five largest US banks; four of the top five broker dealers; and eight of the top ten insurance carriers, Kaplan Compliance Solutions is dedicated to cultivating a culture of excellence. Currently we have an opening for a **QA Project Specialist**.

### **QA Project Specialist Indianapolis, IN**

QA Project Specialist:

- Responsible for ensuring adherence to all the SDLC Phases, deliverables, and standards.
- Responsible for defining/refining the software project management Process by working with both Indianapolis and New Delhi offshore teams.
- Responsible for escalating Requests for Decision including Change Requests and Issues/Risks.
- Communicate and clarify user requirements with the development staff; Act as the liaison between a product development team, the Quality Assurance team, and internal clients.
- Participate in analysis sessions with other members of the product development team to develop innovative approaches for expanding existing functionality to meet business requirements.

Requirements:

- Bachelor's degree in Business Administration and 2 years of experience in software engineering position OR Associate's degree in Business Administration and 3 years of experience in software engineering position.
- Must have experience implementing software packages, performing unit, and lifecycle (integration) testing, and helping in coordination of development work.

- Experience with HTML, Javascript, Oracle SQL, PL/SQL, Microsoft Office, Microsoft Visio, HTML, SunGard Amarta, and PVCS

KAPLAN COMPLIANCE SOLUTIONS offers opportunities for advancement, pay for performance, and a comprehensive benefits plan which includes: generous paid time off; eligibility on day one to enroll in a choice of multi-tiered medical plans; dental plans; health care and dependent care spending accounts; deeply discounted tuition / fees for all Kaplan education; 401(k) with company match and immediate, 100% vesting; supplemental life insurances; and much more!
